REMEMBERING NURSE JEANNE

We were sad to lose Nurse Jeanne earlier this month after several health complications. However, we look forward to remember her through a memorial service at the center. Join us on Tuesday, November 26 at 3:30 p.m. to honor Nurse Jeanne and her passion for serving children, especially our students at the Elaine Clark Center. We will be placing wind chimes in the trees on the playground, and we invite families to bring a set of wind chimes if you would like.

FROM NURSE LILY

It's cold and flu season, so be sure to keep us all safe by washing our hands more often, taking temperatures before coming to ECC if your child has a runny nose or cough, and notifying staff if anyone in your home is diagnosed with a specific virus or infection.

CBVT & HOH BLESSING BAGS

CBVT and the Heart of Hope Academy would like to put together a minimum of 50 blessing bags this season. These bags will be dispersed every Friday as we intend to visit at least one homeless shelter and assisted living home. Our job is to ensure that our students are included in the community and being of service to those that can't be of service to themselves.

Through this project our students will be working on their goals that are aligned with job training skills (assembly, sorting and packing) and socialization. It will also further create volunteer opportunities for our students as we move into the New Year.

If you would like to be apart of this project, we will have donation boxes located in both the CBVT and Heart of Hope classrooms. Below are a few of the items that we intend on filling the blessing bags with:

Travel Size Toiletries

- Toothbrush
- Toothpaste
- Wipes
- Mouthwash
- Deodorant
- Shampoo
- Hand Sanitizer

Winter Items/Outerwear

- Gloves
- Hats
- Socks
- Throw blankets
- Earmuff
- Scarves

If there is anything that you'd like to add to the list, please let us know so the proper packaging arrangements can be made. We greatly appreciate all of your support.

Thank you!
